The Duke of
Death and his
Black Maid

Chapter 8: Rob

I've caused great inconvenience to Alice-dono as well.
Leaving my Duke in your hands...
I am fine.
I was able to spend every night together with my Duke.

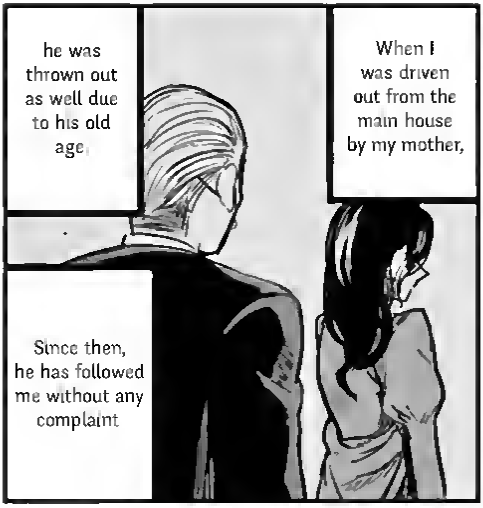
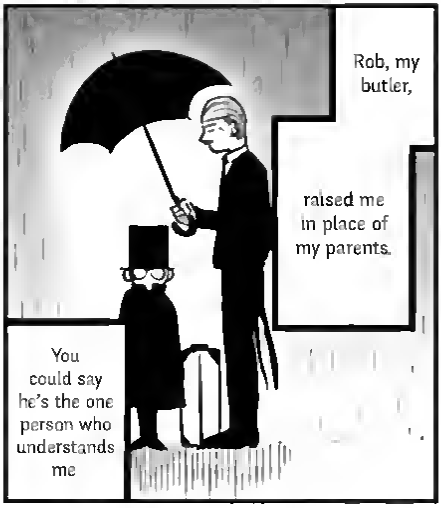
Stop saying things that'll cause misunderstandings!!
As charming as ever, hm...? The two of you...
In that case, I shall get back to work.
Cut the subordinate sexual harassment already!!
So... Rob's back.
Indeed, he is.
There's more for me to worry about now...
パタ！…



he was thrown out as well due to his old age.
When I was driven out from the main house by my mother,
Since then, he has followed me without any complaint



Rob, my butler,
raised me in place of my parents.
You could say he's the one person who understands me

And on top of that, he's a fast worker
He is a kind and responsible man.

So... How...
ドアップ

There is nothing for me to do.
How long do you plan on standing there...?

I can't concentrate on my book...!
Is my being here bothering you?

Yes... Because of that, I am staying beside my Duke now.
After all, my job was taken away from me again by Rob.
I will do it.

!
I have brought your afternoon tea.
Excuse me.

Come in.
And he was just in the garden not long ago...

And with Rob here, Alice's job is easier too.
Well, he, himself, said it, so...
It would probably be insensitive for me to worry.
.....
It's best if this doesn't become a concern though.
What I mean by concern for him...
It's certainly not that he is able to do a ton of work.
Alice-dono.

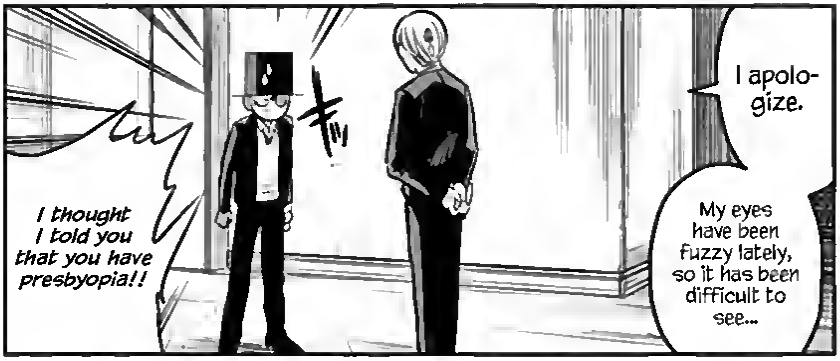
There is something I would like to ask.
It's about him not noticing
Uwa hhh hhh h!!
his own "old age".

It's me!!
Careful !!!
スカッ
Oh, so it was my Duke.



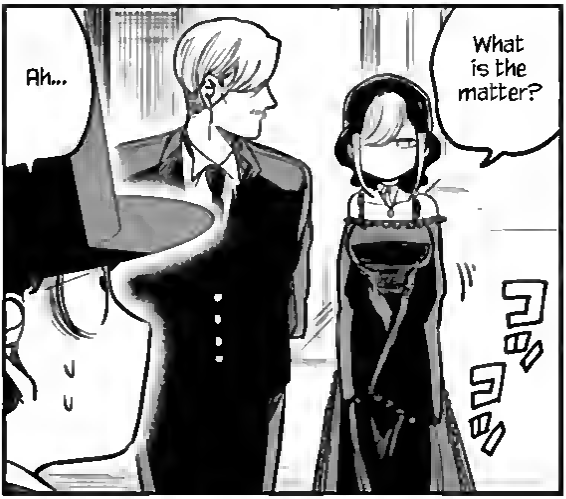
I apologize.
My eyes have been fuzzy lately, so it has been difficult to see...
I thought I told you that you have presbyopia!!

I hate to admit it,
but be a little more defensive!
Though I'm not saying that I want you to avoid me...

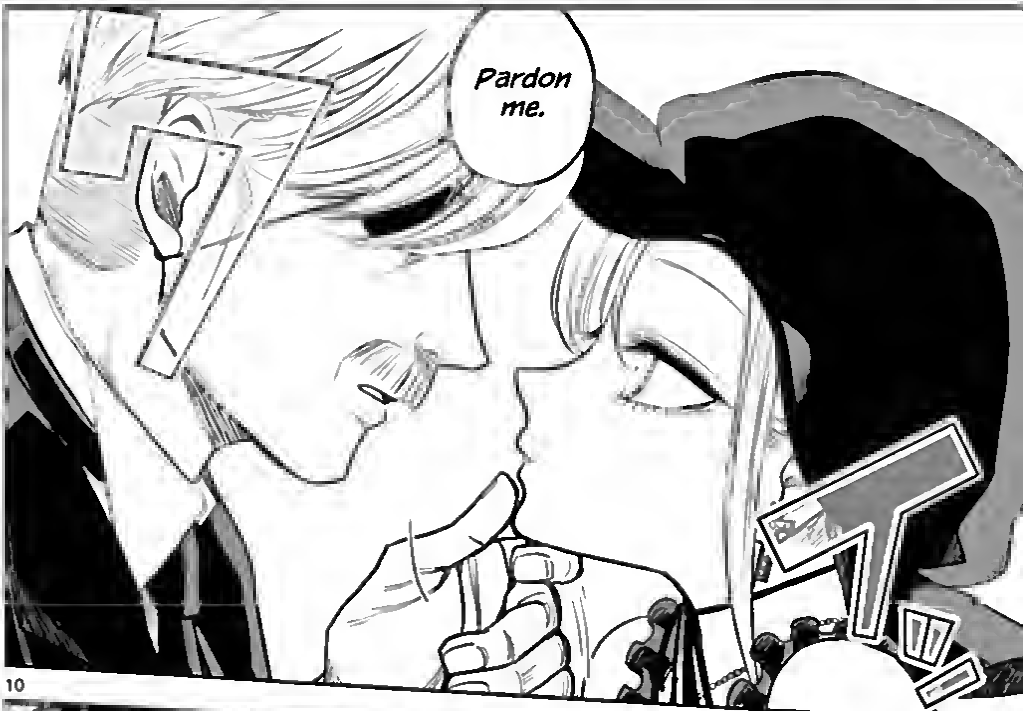
What the heck is wrong with my servants...
They know they'll die if they touch me.
Does it on purpose
Do you want to touch me?
Quickly forgets
My Duke, there is dust on your face-
Uwo ooah hh!!

?
His ears are old too!!

You say something too...
!



Ah...
What is the matter?
ゴゴゴ



Pardon me.

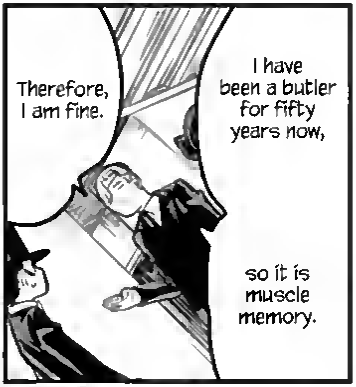
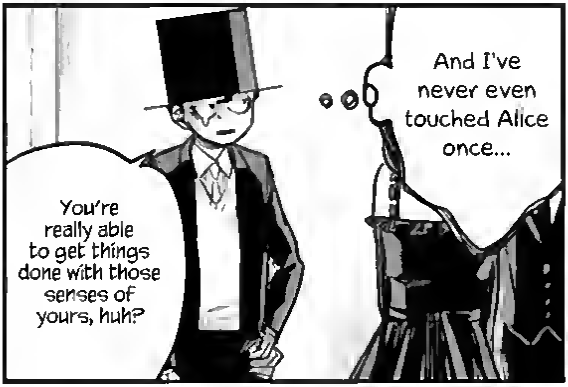
じっ

This one appears to be the true Alice-dono.
Obviously that's Alice!!
There's nobody else besides her!!

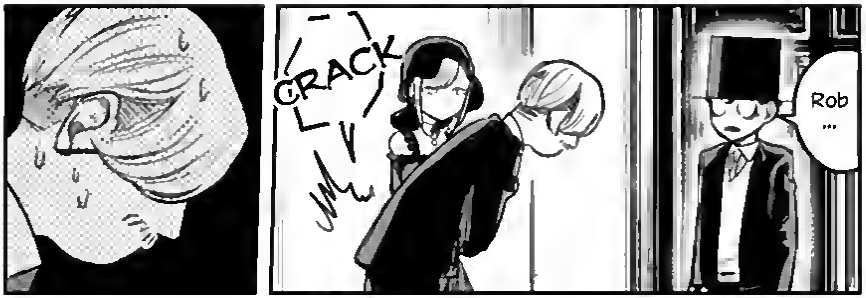


I have been a butler for fifty years now,
so it is muscle memory.
Therefore, I am fine.

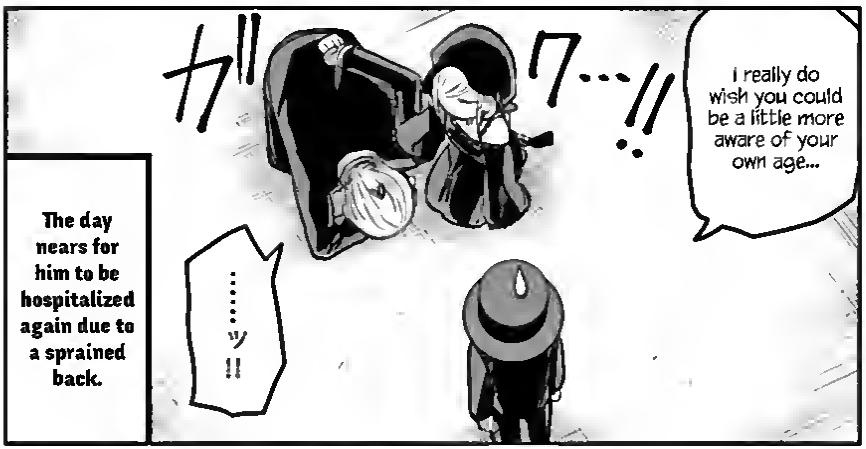


And I've never even touched Alice once...
You're really able to get things done with those senses of yours, huh?

I will serve my Duke
until my life comes to an end.
...



CRACK
Rob ...



カ!!
ク…!!
I really do wish you could be a little more aware of your own age...
……ッ!!
The day nears for him to be hospitalized again due to a sprained back.
